DETAILED ACTION

1. This communication is in response to Applicant's amendment filed on November 18, 2002. Claims 63-85 are pending. The rejections are as stated below.

Response to Applicants' Amendment

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless --

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 63, 74, 76, and 83 are rejected under 35 U.S.C. 102(b) as being anticipated by Greer et al. European Pat. No. 0 511 463 A2.

Claims 63, 74, 76, and 83, Greer teaches a method and a corresponding system for discounting a price per unit of a consumable good by determining a first discount on a PPU of a consumable good in response to a first purchase by the customer of a first preselected product, determining a second discount on a PPU of a consumable good in response to a second purchase by the customer of a second preselected product, and determining a total discount on the PPU of

Art Unit: 3624

the consumable good by adding the first and second discount. Greer teaches the steps of issuing a coupon to the customer, storing the first discount in a database in association with the customer identification and transaction identifier, and reducing the PPU of the consumable good by the first discount (col. 2, line 54 thru col. 3, line 55, and column 5, line 30 thru column 9, line 51).

Allowable Subject Matter

4. Claim 75 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
5. Claims 64-73, and 77-82 are allowed.

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,
